

YOUR PLATFORM TO EUROPE

LSU Schäberle is your logistics and shipping services partner throughout Germany as well as all of Europe & the Near East.

- Export & Import
- Logistics
- Dangerous goods logistics
- Bonded warehouse

The company

LSU Schäberle has been dealing with national and international forwarding as well as all types of logistic services, particularly in the dangerous goods sector, since 1973. We offer our partners highly specialized know-how in logistics and distribution as well as expertise as national and international forwarders.

Germany and Europe from one source

Profit from an outstandingly organized distribution network. Transport throughout Europe is carried out using direct transport, scheduled cargo traffic and hub-and-spoke transport.

- Timely, comprehensive distribution network
- Binding timetables
- Track & Trace
- Specialist personnel trained to deal with customs goods
- Over 73 target destinations
- Standard transit time of 24/48 hours (Germany)
- Package logging via Internet

Import

- Container transport to Europe
- Unloading containers
- Container trucking
- Air freight handling

Logistics

We offer the widest possible range of services.

- Storage capacity for over 50,000 pallets of standard goods (partially heated)
- Warehousing, inspection, commissioning, finishing, labelling, measuring, weighing, counting, packing and distribution
- Comprehensive logistic solutions
- Outsourcing projects
- Bonded warehouse

Dangerous Goods Logistics

We transport, store, commission and pack goods in all water-pollution classes, flammable liquids and aerosols.

- Storage capacity for over 38,000 pallets of dangerous goods
- Qualified for the top class of chemical service providers
- Dangerous goods warehouse equipped with Oxy-Reduct systems or modern self-releasing fire protection systems
- We hold all European dangerous goods certifications
- One of the largest warehouses in Europe for dangerous goods
- Dangerous goods documentation

Customs clearance

We deal with all the administrative tasks and written documentation relating to shipping.

- Customs clearance
- Transport documents
- Own customs clearance offices and bonded warehouses
